### Auctioneer's Note

Bob was a local welder for many years. Upon retirement, he took up carving seriously. Many a bear was "uncovered" from an odd looking piece of wood. Bob gave away many of his carvings to friends, family and local fundraisers. I have personally sold several. The family will keep many of these carvings, however, we have a good variety of carvings to sell. There is something here for everyone. Come spend the day with us.
